

Alexandra set up McAdam Mediation, a four person panel, in 2010 specialising in the resolution of employment disputes including relationship retrieval and mediation. Her background is in the scientific/medical public sector and the trade union movement. She built up a career in multi trade union negotiations

<http://www.mcadammmediation.co.uk>

Mediation:

Alexandra has mediated in the scientific and medical sectors, universities, the NHS, private medical and other charities as well as in local government. Alexandra will bring diplomacy, experience in dealing with challenging cases and people, and considerable listening skills to each case.

Alexandra has developed expertise in most fields of employment disputes, including interpersonal disputes, bullying, stress and diversity and equality issues.

Alexandra developed an in house mediation service for a leading public sector organisation and public servants in conflict resolution and mediation.

Training and mediation assessments

(RICS). Alexandra is a training mediation assessor for the Dispute Resolution Service at the Royal Institution of Chartered Surveyors

She has also assessed and trained law students for ADRg .

She frequently judges student and law practitioner mediation and negotiation competitions (CIARB, CEDR, ADR/ODR and the annual national UK Student Mediation competition).

Education: BSc Social Anthropology (LSE). MPhil Social Anthropology (LSE).

Alexandra has dual British and French nationality and is bilingual.
